

**We need you to be a
part of Fx CAMPS .
Can we count on you?**

Volunteer to be a counselor, workshop leader, or a driver to take campers back and forth to camp. We also need some one to maintain our WEB site during camp and head up prayer teams.

Invite a friend or family member. Every year we see campers that are un-churched or have never been to camp before. They come because they are invited by family and friends and neighbors.

Pray for camp. You are welcome to visit camp and pray on site during the camping program. RSVP

Contribute financially. Many campers would not be able to attend camp if not for the generous donations from their local church and individuals. You may give directly to your church, or to RMYM. Please designate your contribution for the Fx camping program.

For additional information contact your church, visit the website at: www.rmym.org, email the Camp Committee at: FXperience@aol.com or call the Rocky Mountain Yearly Meeting office at 720.855.8727.

You can count on me!
